

In-Home Child Care Declaration

Parent _____ Provider _____

By signing below, I declare the following is true:

1. The child care my child is receiving is being done:
 - A. In the child's home _____ (even if the provider also resides there).
 - B. In the provider's home _____
2. I understand that when the care is being provided in the child's home I am considered an employer and must meet State and Federal employment requirements.
3. I understand that Human Response Network will make all child care payments, In the amount appropriate based on California Department of Education guidelines, directly to me. This amount may not be adequate to meet minimum wage requirements and I understand that it is my responsibility to make up any difference and to make necessary tax withholding and worker's compensation payments.
4. I understand that though Human Response Network has made me aware of my employer status and provided information to help me with this process, I am solely responsible to assure that all requirements are met. I also understand that tax and employment laws change periodically and it is my responsibility to keep current on these requirements.
5. I understand that a 1099 form will be sent to the IRS and Franchise Tax Board if Human Response Network pays more than \$600.00 to me for child care services.
